

Time to Speak Up—What You Can Say

“We are living in unprecedentedly exciting times. But most of us don’t know it yet. That’s essentially the point of this book, to share the news that what many people have dreamt of—and others have believed could never happen—has happened, or at any rate is happening this very minute and has been happening for some time. By this I mean the emergence of inescapably compelling evidence for God’s existence.” Eric Metaxas in *Is Atheism Dead?*
